Hot Cocoa Mix

Cozy, creamy, and homemade with simple ingredients.

INGREDIENTS

- 2 1/2 cups powdered sugar
- 2 1/2 cups powdered milk
- 1 heaping cup cocoa powder
- 1 1/2 teaspoons corn starch
- 1 teaspoon salt

INSTRUCTIONS

1. In a large bowl, whisk together the powdered sugar, powdered milk, cocoa powder, corn starch, and salt until well combined.
2. Store in an airtight container in a cool, dry place.

TO USE

Mix 1/4 cup of hot cocoa mix with 6–8 ounces of hot water. Stir well and enjoy!

TIPS & NOTES

- Use a high-quality cocoa powder for the best flavor.
- Store in an airtight container for up to 3 months.
- For a richer drink, use milk instead of water.
- Add whipped cream, marshmallows, or a sprinkle of cinnamon for an extra cozy touch.

MAY YOUR HOME BE FILLED WITH GOOD THINGS.
